

WEDNESDAY - You have given us the Holy Spouses, Mary and Joseph as our Patrons; -- through their intercession help us to draw closer to You so that we may live our consecration to the fullest.

TUESDAY - By the life and example of our Founder, You teach us to be humble; -- grant that in our service to others, we may have a preferential option for the poor, the neglected, and those in difficulty, without expecting anything in return.

MONDAY - Our Father placed himself and his life entirely in Your hands; -- help us each day to learn how to entrust ourselves entirely to Your Divine Providence.

SUNDAY - Our Father invites us to be totally available for the preaching of the Gospel; -- help us to share with all people the joy of Your Resurrection.

THURSDAY - Through the intercession of the Holy Spouses, Mary and Joseph, to whom we entrust ourselves with filial confidence; -- guide us in our spiritual and apostolic renewal, so that we may be a good example of those we meet in our ministry, especially young people.

FRIDAY- Lord you have left us living signs of Your passion in Your Sacred Stigmata; -- grant that we may learn to offer ourselves each day in union with Your sacrifice.

SATURDAY- Lord, imitating the trusting surrender of the Holy Spouses, Mary and Joseph, -- grant that we, as a religious family, may learn to choose whatever corresponds more to Your love and Your will.

SATURDAY - For our Stigmatine Works O Lord, You made Your Church the heaven of Your Kingdom; -- we entrust to You all our works and activities; may they be for us a place where we give witness and generous service.

FRIDAY- For the Sick and Suffering Lord Jesus, You chose the cross to be the instrument of Your redemption; -- we pray for our conferes who are suffering in body and spirit, so that, by associating themselves to Your passion, they may feel that they are participating in the apostolate even at this period of their life.

THURSDAY - For Vocations Lord, during Your life on earth, You invited some men to leave all things and follow you; -- we pray for those whom You are calling to a life of consecration in our religious family. May our life help them to make a generous and true choice.

WEDNESDAY - For our Missions Lord, You entrusted Your disciples with the task of announcing Your Kingdom throughout the world; -- we pray for our Stigmatine missions, so that our missionary conferes may be aware of our solidarity, and that they may be for us an incentive for a more open and courageous witness.
